### *Summary of Arizona SB 1070 as Enacted*

April 27, 2010

Arizona Governor Jan Brewer signed SB 1070 into law on April 23, 2010. The legislative intent of the bill, set forth in Section 1, states that there is a compelling interest in the cooperative enforcement of federal immigration laws throughout all of Arizona, and declares that the intent of the law is to make attrition through enforcement the public policy of all state and local government agencies in Arizona. The provisions of the law are intended to work together to discourage and deter “the unlawful entry and presence of illegal aliens and economic activity by illegal aliens in the United States.” The following is a summary of the main provisions of the bill.
